Best Wishes to Sister Geri Near

A farewell event for Sister Geri was held on Wednesday, Sept. 24th. She has been a special friend to many of us.

Sister Geri has been with the Meals on Wheels Program as the site hostess at the Novi Senior Center for 10 years.

Prior to Sister Geri's time with us, she taught in elementary schools, grades five to eight. She enjoys crossword games and visiting people. Making a connection with others, to make sure they are safe, has always been important to Sister Geri. Many of us have benefited from her thoughtfulness. She truly will be missed by all. Pictured left are Meals on Wheels staff, Chris, Carol, Sister Geri and Bridget.

*Mary Brady,
Owner and Chef*

Diamond Jim Brady's was established in 1954 on Seven Mile in Detroit. This lovely bistro is tucked away in Novi, Michigan just off the Novi exit. Their varied menu is packed full of delightful foods from soups, salads, pulled pork tacos, burgers, to potato encrusted whitefish and much more. Any selection is sure to amaze a food lover's palate.

As you enter the foyer area of the bistro, there is a container for patrons to drop off a bag or cans of pet food. Being a pet lover herself, Mary Brady is one of our wonderful advocates for the pet food for our seniors.
